

JTL Remote Learning Weekly News
Issue 1/20

[View this email in your browser](#)

Dear <<First Name>>,

Welcome to the first edition of **JTL Remote Learning Weekly News** featuring a range of resources you can use to help you to continue to learn and progress in your studies as much as possible during this challenging period.

We will be updating these resources on a weekly basis and will share the details with you in this weekly news bulletin every Friday. Please check your emails (including your junk/trash email box) regularly to make sure you are receiving it.

This Week's Updates

Maths and English Skills

You can continue to practice your maths and English skills on bksb by clicking on the button below:

[Practice Your Maths and English Skills](#)

If you experience any issues with your bksb account, please email ExternalSupportTeam@Jtltraining.com or call **0800 085 2308** for assistance.

If you have already been invited to Functional Skills training days, please expect to receive a call from a Functional Skills Trainer who will continue to support you with your maths and English learning.

You can also work through sample assessment questions via this link below:

Training Officer.

Your Teaching and Learning

Your Training Officer will contact you within the next two weeks to check you are okay and to discuss the next steps for your learning. In preparation for their call, please make sure you can log onto your Smart Assessor account as this is where a record of all your learning is kept. If you need any support logging onto your Smart Assessor account, your Training Officer will provide you with assistance.

Once you have logged into your Smart Assessor account, you will notice that a range of resources has been added to support you with your learning. These resources include:

- [PowerPoint presentations](#)
- [Activity worksheets](#)
- [Videos](#)
- [Interactive tasks](#)

It's an ideal time to brush up on any knowledge units, revisit any learning you have not already fully understood, and make good use of your textbooks.

While you are logged onto Smart Assessor check that you have recorded and updated your 20% off the job record. You can also make sure you have completed your Prevent Unit.

Remember to continue to upload evidence of workplace assessments undertaken including reflective accounts, witness statements and photographic evidence.

For those of you who attend a JTL training centre, you will have access to on-line tutoring after the Easter break.

If you have any questions or need further advice or guidance please call your Training Officer.

Additional Support

If you have an additional learning need and feel that you need further support with your learning, please email learnersupport@jtltraining.com or speak to your Training Officer.

.....

We appreciate it may be difficult to maintain your motivation during this period of unexpected disruption to your usual learning routine but please do try to make good use of the above resources. We hope you will find them helpful. The more effort you put into your learning now, the more you will benefit in the long term.

And remember, we are always here for you so if you have any general questions or concerns about your learning you can contact JTL's customer services team on **0800 085 2308** or email info@jtltraining.com

With best wishes,
From the JTL Team
